THREE'S A CHARM BY JANE LITTLEFIELD & CARRIE KEILLOR

The months of June and July proved fruitful for TC Library. We doubled in size from three to six librarians! Whoa Bessie!!! First to arrive was Steve Swanson, known for his interlibrary loan, acquisitions, and collaborative piano skills. Steve also brings to the library the requisite pair of librarian glasses, a secret love of classic comic books, and an impressive knowledge of the Real Housewives of New York. Or Jersey. One of those. Welcome Steve!

Rebecca Thompson, our new Technical Services librarian, is already busy cataloging new acquisitions so that they are ready to check out. Rebecca is the editor of [A Grand History: The Summit Hill Neighborhood's First 200 Years](#), a book in TC Library's collection! She enjoys blogging, history, and anything Norwegian. Rebecca ups the librarian ante by being an avid knitter. She's even on the Board of the [MN Knitters Guild!](#) We cannot wait for our matching Librarian Christmas socks. Welcome Rebecca!

TC Library also welcomes Christine Simon, our Reference Intern Extraordinaire. Christine is a library student at St. Kate's and interns on our reference desk Monday and Thursday.

LIBRARY FACT: According to the MN Dept. of Education's [2008 MN Public Library Statistics](#): **56,510,890** items were checked out from MN *public* libraries (not colleges, etc.). Our population was 5,287,976—that's over 10 items per person!!

Volume 3, Issue 4, July 2010 Spotlight: Famous Librarian

Marian The Librarian: There's nothing halfway about River City town librarian and piano teacher Marian Paroo! In Meredith Willson's 1958 musical comedy *The Music Man*, Professor Harold Hill woos and eventually wins the heart of this fair lady. And while she can shush with the best of them, she's been known to dance on a library desk or two herself as well.
