**Two Open Positions- Full-Time CRNAs**1 message

---

Mon, Jul 2, 2018 at 3:03 PM

Hello,

Fairview Range Medical Center, located in Hibbing, Minnesota, is looking to recruit two permanent full-time CRNAs, who either have not already been placed or who will be graduating in the spring of 2019.

Fairview Range Medical Center comprises a 125 bed hospital, three regional clinics, a long term memory care facility, a home health care division as well as a transportation department. As a medical center, we offer over 60 specialty services. Additionally, we are affiliated with the largest healthcare provider in Minnesota, the Fairview Health system. Our surgical services department has an average surgical caseload of 14 -15 procedures daily.

We are the largest employer in northeastern Minnesota with over 1100 employees. We offer a generous compensation and benefits package including tuition reimbursement. Additionally, we offer sign on bonuses and relocation allowances.

I would appreciate the opportunity to share more information regarding these openings with you. Please contact me directly at 218-262-6861 or [hruedeb1@range.fairview.org](mailto:hruedeb1@range.fairview.org)

Thank you in advance for your consideration.

Regards,

**Haylie Ruedebusch, Employment Specialist**
