

ThedaCare™

New London, WI

ThedaCare is one of the largest nonprofit employers in the region providing expert, local care from world-class minds and compassionate hearts. We are committed to improving the health of the communities we serve throughout Northeast and Central Wisconsin. Providers at ThedaCare enjoy a collegial atmosphere, supportive of both primary care providers and specialists.

- Enjoy working in close collaboration with two other full time CRNAs, in an independent practice model
- Feel respected and appreciated by our experienced surgeons and competent and friendly medical staff
- Attractive schedule working 2 weeks on/1 week off (16 workdays per month)
- Call from home, 1:3 First Call, no second call (10 call days per month)
- Cases range from General Surgery, Ortho, Urology, OB, Ophthalmology (cataracts)
- Gain personal and professional satisfaction from making a contribution to our rural Wisconsin communities that are served by our critical-access hospitals

Generous Compensation package includes malpractice, short & long term disability, CME/technology stipend, health/dental/vision insurance and a 403b retirement account with employer match and discretionary contribution.

New London is a paradise for outdoor enthusiasts and city dwellers alike. The community is located in Waupaca County, which has a population of nearly 52,000. New London is a friendly, caring, and progressive community. The hospital has been ranked among the top 100 in the nation, and the school system is recognized as one of the finest in Wisconsin.
