

CRNA

Anesthesiology Associates of Sheboygan, is looking for a full-time Certified Registered Nurse Anesthetist to join their Anesthesia team at St. Nicholas Hospital. The hospital has seven operating rooms and one minor procedure room and provides anesthesia services for approximately 3000-3500 cases per year. Largest percent of cases are orthopedics, no cardiac or neuro. CRNA will work closely with MD's in a friendly, compassionate environment with no weekends or call.

In our beautiful Sheboygan community, you will find a rich quality of life-sports, art, culture and four-season recreational activities abound in an area where stability and family values are highly regarded.

Anesthesiology Associates of Sheboygan will offer a competitive wage and vacation program. For more information or to submit your resume, please contact Barb Hamann, Human Resources Representative/Recruiter at:
