## Director, CRNA Training Program

The Gammill Group has been retained by OhioHealth ([www.ohiohealth.com/](http://www.ohiohealth.com/)) to locate a Director for their new CRNA training program. The program will be in collaboration with the Otterbein College Department of Nursing ([www.otterbein.edu/nursing/](http://www.otterbein.edu/nursing/)).

This position will be responsible for curriculum development, establishing clinical standards, clinical evaluations, program evaluation, and accreditation.

The position will report to the Executive Director of Medical Education at Grant Medical Center with a matrix reporting relationship to the Medical Director of the Department of Anesthesia. In addition this position has a collaborative reporting relationship to the Chair of the Department of Nursing at Otterbein College.

### **The successful candidate:**

- **Will have the opportunity to put their personal stamp on the program.**
- **Will work with one of the premier Health Systems in the country.**
- **Will recruit and develop faculty for the CRNA program.**
- **Will be responsible for developing both the operating and capital budgets.**

Qualifications include prior experience as an Administrator at a CRNA school as well as experience in a clinical CRNA role. A person with experience as an Assistant Administrator with appropriate experiences will be considered. The successful candidate will be a licensed registered nurse, with the qualifications needed to be registered as a CRNA with the State of Ohio. We are seeking a person with a Doctorate in Nursing or related field. A Masters prepared CRNA who is a Doctoral candidate will be considered.

Located in Columbus, Ohio all OhioHealth facilities are dedicated to providing quality patient care delivered with compassionate, personal care and state of the art technology. OhioHealth is ranked # 19 by Fortune Magazine as one of the Top 100 places to work in the United States. OhioHealth is one of only two large healthcare systems in the country to receive this honor.
