

Experience the respect, career growth and full range of practice experience that you deserve.

At our facility, we have developed an environment, a way of life where CRNAs and Anesthesiologists enjoy a truly collaborative approach to patient care and where you will find teams of mutually supportive professionals who maintain a focus on what is really important – the patient.

A career at our facility allows you to have the quality of life you have worked for; where you can practice your profession while also enjoying the benefits of semi-rural living - excellent schools, affordable housing, nice neighborhoods and wealth of cultural, entertainment and recreational activities all within 3 hours of Philadelphia and New York City.

Our Health System offers qualified candidates:

- Comprehensive medical/retirement benefits starting day one
- 3-year vesting in retirement program
- Domestic partner benefits
- Interview costs and relocation assistance
- Paid CME
- Loan forgiveness program up to \$50,000 for 3 years of service
- 191 (licensed) bed, acute care hospital with a renovated emergency department
- Specialty services which include; pediatric urgent care, new women's health center, The Center for Joint Replacement and sleep medicine clinic.

Our Health System

- Utilizes a mature, fully integrated electronic health record, connecting a comprehensive network of more than 40 community medical groups located throughout Central and Northeastern Pennsylvania.
- 700 primary and specialty care Physicians.
- 38 accredited residency and fellowship programs.
- Cutting-edge laboratory research
- Comprehensive benefits package.
- Not-for-profit integrated delivery health system.
- The organization goals include improving leadership and management accountability, evolving a culture of superior service, growing market share, identifying and implementing best practices, and improving system-wide performance within an atmosphere of clinical excellence.
- A financially stable, growing healthcare organization
