

CRNA

RURAL ACUTE CARE FACILITY in Wisconsin seeks CRNA to join our staff in our newly constructed/expanded surgical area. JCAHO accredited. Position available due to September 2005 retirement of a current CRNA.

Located in a community on Interstate 90/94, 70 miles from LaCrosse and Madison. Excellent outdoor recreation area, includes biking, boating, fishing, golfing, hunting, etc.

CANDIDATE PROFILE: Successful applicant must be a CRNA capable of general and regional anesthesia. Ability to work with medical and nursing staff required. Variety of caseload in all surgical specialties, except cardiac, neuro, and OB (with the exception of C-sections). New grads welcome.

JOB RESPONSIBILITIES: Full time CRNA reports to the Director of Anesthesia.
Share anesthesia call equally with 3 other CRNA's. No MDA.
Day off after call.
450-500 cases per CRNA per year.

SALARY & BENEFITS: Very competitive salary, negotiable and dependent upon qualifications and experience. Excellent benefit package including health and dental insurance, 401k, malpractice insurance, CME allowance, etc.
