Our practice is located in St. Cloud Minnesota, which is in central Minnesota, one hour north of Minneapolis. St. Cloud is a progressive, fast growing, safe, family oriented community. We have an excellent school system and have four colleges in the area. Our location provides us with all the benefits of Minnesota's beautiful outdoors with several lakes, golf courses, parks, ski areas, bike trails, the Mississippi River and many other recreational opportunities nearby.

The St. Cloud Hospital is a regional level II trauma center with 489 licensed beds. Anesthetists work directly with Anesthesiologists to provide anesthesia for patients undergoing obstetric, pediatric, general, trauma, outpatient, orthopedic, ENT, bariatric, urological, cardiovascular, and neurosurgical procedures. We have an exceptional working relationship with the surgeons and OR staff.
