

## **ASSIGNMENTS for SSV500, Winter 2005**

**~REVISED~**

### **ASSIGNMENT #1: Diagnostic Writing Sample, due January 24. E-mail subject line: lastname\_1**

1. Submit a diagnostic writing sample of at least two pages. Apply as much APA style and formatting as you know.

Options:

- a. You may submit a paper written for a previous class.
- b. You may submit a paper summarizing a professional article in your field of study. Submit the article along with your summary.
- c. You may submit an autobiographical sketch that includes your educational and professional background and your purpose for obtaining a Master's degree.

2. Create a title page and number your pages in APA style.

### **ASSIGNMENT #2: Five Research Sources, due February 3. E-mail subject line: lastname\_2**

1. Locate the following five resources:

- (a) one book from your field of professional interest,
- (b) two online articles (one may be an abstract) from scholarly sources,
- (c) one online article from any source.
- (d) one scholarly or professional article, book, or other resource—your choice.

That's five resources altogether. At least two of the articles need to be a minimum of two pages in length.

2. Make copies of the articles (keep original for yourself); make a copy only of the publisher page of the book.

### **ASSIGNMENT #3: 1<sup>st</sup> Reference Page, due February 3, end of class. E-mail subject line: lastname\_3**

Using the resources from Assignment #2, to the best of your ability,

1. Compose an in-text reference for each of your sources. Try to vary the ways in which you cite sources.
2. Create a separate reference pages that lists each of your sources in APA style.
3. Submit both pages, with a title page, by e-mail.

### **ASSIGNMENT #4: 1<sup>st</sup> Critique, due February 14. E-mail subject line: lastname\_4**

1. Following the guidelines in INTRODUCTION TO THE APA & OTHER WRITING TIPS, write a two-page summary and critique of an article (the article must be two or more pages in length) obtained for Assignment #2. If you are writing a similar document for another class, see me about substituting.
2. Follow APA guidelines for writing, for formatting your paper, and for citing sources. Include a reference page.

### **ASSIGNMENT #5: 2<sup>nd</sup> Reference Page, due February 21. E-mail subject line: lastname\_5**

Same as Assignment #3, but using sources I provide.

### **ASSIGNMENT #6: 2<sup>nd</sup> Critique, due February 21. E-mail subject line: lastname\_6**

Same as Assignment #4, but using another of the resources you found in your research.
